

THE NEW WORK UTV STANDARD

The Pro XD provides industry-leading durability, serviceability and safety to deliver a utility vehicle built to withstand the toughest work environments, and ultimately, provide customers with increased durability, lower maintenance costs and improved safety features.

DURABILITY

- Heavy-duty driveline components resist corrosive conditions
- Heavy-duty suspension for industry-leading towing and payload
- · Kubota industrial tier 4 diesel engine
- Heavy duty seat material resists punctures and tears
- · Heavy-duty clutch improves belt life
- Hard surface jobsite tire for puncture and wear resistance

SERVICEABILITY

- · 200 hour maintenance interval
- · Front air intake for cleaner air ingestion
- Side access to air filter and dipstick for daily service checks
- Digital display with alarms to notify user of critical faults
- 4 same size tires, non-directional for easy replacement
- Common key sets for easy vehicle fleet management

SAFETY

- · Speed limited for jobsite compliance
- Orange seat belts and decals for high visibility
- Wider foot wells for easier ingress/egress
- · Standard safety features include
 - Backup alarm
 - Horn
 - Mechanical parking brake
 - Start in park with foot on brake
